

RULES OF THE DRAW

1. This subscription lottery draw is open to any person aged 18 or over.
2. Lottery draw entries are only valid if the ticket price has been paid in advance.
3. There is 1 draw each week that uses the Member's ID number to select the winners of the guaranteed weekly prizes. Each Member also has an allocated combination of Jackpot Numbers, and if all numbers match those drawn the prize is won. 4. The Jackpot Rollover Draw prize is uncapped.
5. The £10,000 annual draw takes place once per year and uses the Member's ID number to select a winner. For each weekly draw a member has paid into, one chance in the £10,000 draw will be given. A Member must still be actively paying to be included in the draw.
6. 'Money can't Buy' prizes will be included at various stages throughout the year and at the discretion of the promoting Society. These are in addition to the advertised cash prizes.
7. All draws will be made at a time and place arranged by the Society.
8. One Member may win more than one prize.
9. All winners are paid out automatically to the details held by the Lottery.
10. The Society reserves the right to change the rules of the Subscription Lottery draw from time to time.
11. Any unclaimed prizes after a period of 6 months from the date of the draw will be deemed a donation to the good cause(s), as identified by the promoting Society.
